Limitations

- During the Base Engine Warranty, Cummins will pay reasonable travel expenses to and from the vessel when it is necessary for Cummins authorized repair technicians to make on-site warranty repairs.
- **Cummins does not warrant accessories that are not supplied by a Cummins factory.**
- Cummins is not responsible for failures of maintenance components supplied by Cummins beyond 90 days after the coverage duration start date. Maintenance components include, but are not limited to: belts; hoses; sea water pump impellers; zinc plugs; oil filters; fuel filters; air filters; water filters; and fuel/water separator filters.
- Cummins **supplied alternators and starters** are covered for 2 years or 2,000 hours (2 years 1,000 hours for Governmental Service rating) whichever occurs first. Excludes B and C engines.
- **Failures resulting in excessive oil consumption** must have adequate documentation to show that oil consumption exceeds Cummins published standards before they are considered.
- **Failures of belts and hoses** supplied by Cummins are covered only during the first 90 days of the warranty period.
- **Towing/Repair Dock/Harbor** charges are not covered.
