## **CLASSIC BLUE™ ENVIRO DEGREASER**

*Water Based Environmentally Friendly*

Classic Blue™ Enviro Degreaser is a fluro orange heavy duty water based degreaser.

Classic Blue™ Enviro Degreaser is based on a blend of vegetable and organic based detergents, naturally derived solvents and corrosion inhibitors.

---

### Application

Classic Blue™ Enviro Degreaser was developed specifically to clean and degrease external engine components as well as other hard surfaces such as floors and walls. It is also suitable for the cleaning of taut liners on trucks as well as different types of mag wheels.

Classic Blue™ Enviro Degreaser contains a specialty blend of citrus solvent to effectively degrease all surfaces while imparting a fresh orange fragrance during the cleaning process.

Classic Blue™ Enviro Degreaser contains a blend of corrosion inhibitors to ensure absolute safety on metal surfaces, including mild steel, cast aluminium and galvanized surfaces.

---

### Features and Benefits

- Cleans & degreases all types of surfaces
- Contains corrosion inhibitors
- Quick break detergent
- Contains a blend of citrus solvents
- Based upon renewable & regrow-able resources
- Reduces the number of cleaning products
- Safe to use on different types of surfaces
- Environmentally acceptable for triple interceptors
- User friendly to the operator
