Extended Major Components Warranty

The **Extended Major Components Warranty ONLY** covers failed major components and **progressively damaged major components**.

The labor and material cost to repair a failed major component, if not more than the cost of a new major component, is covered. **LABOR COST FOR ACCESS TO A FAILED PART IS NOT COVERED.**

Labor and material cost to repair any major component item according to warranty-approved salvage procedure which is progressively damaged by a warrantable failure of one or more of these major components is covered.

Limitations

- Cummins allows **travel** from the nearest qualified repair location to the job site to repair a warrantable failure.
- **Failures of belt(s)** are covered for 1 year or 500 hours of operation.
- **Non-Cummins accessories** are not covered under this warranty.
- This warranty does not apply to accessories supplied by Cummins which bear the name of another company. Such non-warranted accessories include, but are not limited to; alternators, starters, fans*, clutches, filters, air cleaners and safety shutdown switches. ***B3.3** - Alternators, starters, and fans are covered for the duration of the Base Engine Warranty on B3.3 engines.
